## Am I Loving?

I love popcorn when I binge watch  
I love my friend when he likes my posts  
I love the way I feel when winning  
or swimming some exotic coast  
Am I loving?

I love learning how to play my new song  
I love something I love to hate  
I'd love to hear your opinion  
but don't think I mean it 'cause I'm running late  
Am I loving?

When I say love do I mean like?  
For some reward Or to be nice bluffin'  
When push comes to shovin'  
gushin', huffin', puffin', blushin'  
Am I loving?

Is love the way someone makes me feel?  
Is love a prized possession?  
Is a love affair a nonplatonic fling?  
Or a true confession?  
Am I loving?

At times we use love almost absurd  
I wonder if we've lost the real meaning of the fickled word  
maybe I know next to nothin'  
Am I loving?

I love my car but do I really  
I love to judge what I've done myself  
I love my job but is that status  
Is it all that? Or something else?
